

# Agronomy Research

Established in 2003 by the Faculty of Agronomy, Estonian Agricultural University

## **Aims and Scope:**

*Agronomy Research* is biannually published peer-reviewed international Journal intended for publication of broad-spectrum original articles, reviews and short communications in actual problems of modern agriculture incl. crop and animal science, genetics, economics, engineering aspects, agriculture and environmental relations, agro-ecology etc. in the temperate regions of the world.

## **Copyright:**

Copyright 2011 by Estonian University of Life Sciences, Estonian Research Institute of Agriculture, Latvia University of Agriculture, Lithuanian University of Agriculture, Lithuanian Research Centre for Agriculture and Forestry. No part of this publication may be reproduced or transmitted in any form, or by any means, electronic or mechanical, incl. photocopying, electronic recording, or otherwise without the prior written permission from the Estonian University of Life Sciences, Estonian Research Institute of Agriculture, Latvia University of Agriculture, Lithuanian University of Agriculture, and Lithuanian Research Centre for Agriculture and Forestry.

## ***Agronomy Research* online:**

*Agronomy Research* is available online at <http://www.eau.ee/~agronomy/>

## **Acknowledgement to Referees:**

The Editors of *Agronomy Research* would like to thank the many scientists who gave so generously of their time and expertise to referee papers submitted to the Journal.

## **Abstracted and indexed:**

Thompson Scientific database (ISI Master Journal List): Zoological Records, Biological Abstracts and Biosis Previews, AGRIS, ISPI, DOAJ, CAB Abstracts, AGRICOLA (NAL; USA), VINITI, INIST-PASCAL.

## **Subscription information:**

Estonian Grassland Society  
St. Teaduse 13, 75501 Saku, ESTONIA  
E-mail: [svea.aavik@eria.ee](mailto:svea.aavik@eria.ee)

## **Journal Policies:**

Estonian University of Life Sciences, Estonian Research Institute of Agriculture, Latvia University of Agriculture, Lithuanian University of Agriculture, Lithuanian Centre for Agriculture and Forestry and editors of *Agronomy Research* assume no responsibility for views, statements and opinions expressed by contributors. Any reference to a pesticide, fertiliser, cultivar or other commercial or proprietary product does not constitute a recommendation or an endorsement of its use by the author(s), their institution or any person connected with preparation, publication or distribution of this Journal.

# FLAVOURE

International Scientific Conference  
**Food/Feed Quality, Safety and  
Risks in Agriculture**  
(FLAVOURE Conference)  
Tallinn, Estonia, 25 – 28 October 2011

## **Scientific Committee**

**Marge Malbe**, Estonian Research Institute of Agriculture (Estonia)

**Bo Ekstrand**, Aarhus University (Denmark)

**Seija Jaakkola**, University of Helsinki (Finland)

**Jüri Kadaja**, Estonian Research Institute of Agriculture (Estonia)

**Rein Lillak**, Estonian Research Institute of Agriculture (Estonia)

**Hannu Saloniemi**, University of Helsinki (Finland)

**Mervi Seppänen**, University of Helsinki (Finland)

**Jan Stagsted**, Aarhus University (Denmark)

**Raivo Vokk**, Tallinn University of Technology (Estonia)

## **Organizing Committee**

**Margit Raid**, Estonian Research Institute of Agriculture (Estonia)

**Mary-Liis Kütt**, Estonian Research Institute of Agriculture (Estonia)

**Teet Otstavel**, Estonian Research Institute of Agriculture (Estonia)

**Helena Pärenson**, Estonian Research Institute of Agriculture (Estonia)

## **External Reviewers**

David Arney, Bo Ekstrand, Terje Elias, Urs Feller, Michael Grashorn, Olaf Heidelberg, Agu Laisk, Heino Moldau, Pirjo Mäkelä, Toomas Orro, Evi Padu, Elli Pärna, Riin Rebane, Jens Rohloff, Hannu Saloniemi, Jan Stagsted, Risto Tanner, Constantina Tzia, Vincenzo Tufarelli, Raivo Vokk.

**Conference organizers**

**ESTONIAN EXCELLENCE CENTRE  
FOR RURAL DEVELOPMENT**

**ESTONIAN RESEARCH  
INSTITUTE OF AGRICULTURE**

**Conference is funded by**
